

## ŠKOCJANSKI ZATOK NATURE RESERVE SERVICES PRICE LIST

(In effect from 1. 3. 2025)

### 1. GUIDED TOURS

For the Škocjanski zatok Nature Reserve visitors that wish to know more about the reserve, we prepared guided tours with various lengths of time options, which are adjusted according to age, wishes and requests of individual groups. The tours are prepared and guided by the reserve manager and experts working at the reserve.

In accordance with the Škocjanski zatok Nature Reserve Decree (U.L. RS št. 75/13 in 46/14 – ZON-C) a guided tour is mandatory for a ny group of ten or more visitors and for all school groups (including all formal educational groups without regard to the level, from kindergarten to post graduate students) and it entails escort, guidance, and expert commentary. Group guidance takes place with a mandatory ahead of time announcement (at least 7 days in advance) and reservations of dates, it is done by the reserve manager for a pay.

Guided tours are available in Slovenian, Italian, and English language.

### 3. HALL RENTAL

The hall at the visitor's centre of the Škocjanski zatok Nature Reserve can be rented to users for events and activities in accordance to the terms of the nature reserve. The hall offers a capacity of 60 seats and an option of separating it into two distinct spaces, which can be used for separate group work or for the programme and banquet individually. Various seat arrangements that are available are graphically shown in the included images.

The prices on the pricelist bellow include the use of the hall (heated/air-conditioned with the possibility of partial dimming), which we prepare for you according to your selected seat and table arrangements, and the use of all the basic technical equipment, which includes: a laptop, projector, projection screen, two microphones (one stationary and one portable), sound system, WIFI access, parking for personal vehicles (20 parking spaces, 2 of which are handicap spaces and 2 with electric vehicle charging stations), parking for 3 buses, parking for 5 motorcycles and parking for 15 bicycles. The price includes basic technical set up of the equipment, if additional assistance is required by the technician, the assistance is charged according to the pricelist below. The use of the interactive board is also possible with additional charge according to the pricelist. Furthermore, there is a surcharge for additional preparation of the hall by the renters themselves before the official rent time.

Renting the hall is in accordance with the visitor's centre house rules and schedule. Setting up additional components needed for the event, can be arranged only with the agreement and in the presence of the technician and staff. During the time of rent the renter is responsible for the rented equipment. In case of damage or loss of property the manager reserves the right to charge the renter any additional repairs or substitutions of the aforementioned property.

#### PRICELIST FOR RENTING THE HALL
